

CHAMBERLAINS SECURITY

Environmental Policy Statement

Chamberlains Security (Cardiff) Limited recognised the need to establish, document, implement, maintain and continually improve an environmental management system to prevent pollution, comply with legal and other requirements and to continually improve the environmental performance and reduce the environmental effect of its activities.

To achieve this we will establish sound environmental management by: -

- Developing objectives that target environmental improvements and regularly review and monitor performance
- Developing a relationship with suppliers and contractors so that we all recognise our environmental responsibilities
- Educating staff so that they carry out their activities in an environmentally responsible manner
- Considering any environmental issues in the decision-making process including:
 - Promoting waste minimisation by recycling or finding other uses for it whenever economically viable
 - Promoting the efficient use of resources, energy and fuel throughout the organisations structure
